GROUP 16

Petitions to revive under 37 CFR 1.137(a) or (b), or requests to withdraw the holding of abandonment under 37 CFR 1.181, should be promptly filed to minimize any negative effects on patent term.

Item 7 - Other reasons for holding abandonment: A response has not been filed and the statutory time limit for response to an Office Action ended on February 9, 2002 and the time limit for response to the Notice of Non-Compliant Amendment had ended on May 13, 2002. Mr. Peirce told the examiner that a response had not been filed, however, he intended to file a response in the future by buying additional time. The examiner informed Mr. Peirce that an extension of time could not be extended beyond the six month Statutory time limit and told Mr. Peirce that the application was going to be abandoned. Mr. Peirce was informed that he could petition to have the application revived.
